Experience

Deloitte Touche Tohmatsu

(January 2018 – February 2018)

Deloitte Digital is a professional services network committed to helping clients unlock the business value of emerging technologies.

Summer Vacationer Program

I was provided the opportunity to develop my Business Analyst, Creative and User Experience skills as part of the Digital Team working from both the office and on client sites.

Huawei

(November – December 2017)

Huawei is a Chinese multinational networking and telecommunications equipment, and services company. It is the largest telecommunications equipment manufacturer in the world.

Seeds for the Future Program

This program included an introductory Mandarin language course at the Beijing Cultural University, telecommunications course at Huawei University, and various cultural experiences.

TechnologyOne

(March 2018 – Present)

TechnologyOne is an enterprise software and ASX-150 company with 14 offices around the world.

Queensland University of Technology Capstone Project

I am part of a team of four students developing an augmented reality node package to integrate with an existing TechnologyOne iOS and Android application. My role in the team is as a business analyst and project manager.

QRI Lifestyle

(March 2017 – June 2017)

QRI Lifestyle is a not-for-profit organization that provides leisure and lifestyle benefits to their members.

Website Developer

I worked alongside the business development coordinator and graphic designer to remodel QRI Lifestyle's website.

Western Districts Gymnastics Club

(January 2014 – Present)

Western Districts is a not-for-profit Gymnastics Club with a high quality program catering for kindergym, recreational and competitive Women's Artistic Gymnastics classes.

Coach and Judge

I have been coach competitive gymnasts in the national levels program. I have also written lesson programs for the club's extension program, kindergym program and several of squad groups. In addition, I have mentored a number of Junior coaches.
